PACKHOUSE MANAGER at AAA ROSES

We are looking for a pack house / production manager to be based in the Rumuruti region.

Responsibilities

- 1) Management of the pack house operations including all pack house staff and operations.
- 2) Sound leadership and direction in the pack house ensuring quality product output, accuracy and consistency in pack house processes and documentation.
- 3) Provide weekly/monthly and annual reports to the General Manager and Commercial Manager.
- 4) Building and implementing best practice policies and principles.
- 5) Develop and train a team of pack house staff.
- 6) Assist in the expansion of the operations.
- 7) Profitable use of facilities.
- 8) Ensuring high standards of health and safety practices.

Requirements:

- 1) The successful candidate must be a graduate from a recognized university preferably in an agricultural related discipline.
- 2) Must have minimum of 7 years experience in managing flower or perishable pack houses.
- 3) Must have excellent management experience.
- 4) Must have excellent communication and interpersonal relationship skills.
- 5) Must have good numerical and planning skills.
- 6) Must have an understanding and good knowledge of floriculture industry industrial relations.
- 7) Must be self-disciplined, a team player, honest and of high integrity.
- 8) Must be able to work under minimum supervision while meeting the set targets & deadlines.

If you feel confident that you meet or surpass these expectations, please send in your testimonials to the address below. Please note that only shortlisted candidates will be contacted for a further discussion.
